

“Krishna Kunj”, a project by Kedar Associates is a landmark project in Wadgaon budruk.

Lead a noble life befitting your personality and social status. Crafted for the discerning with a penchant for comfort, the creation exudes an inherent aura of elegance and pronounced cheerfulness. An own home or a commercial space is very precious for the owner. A space that ornaments the entire family, where dreams are nurtured and family bonds are strengthened. It bestows a sense of security and pride on the entire family. A possession to flaunt and be proud of!

We want people to feel the same sense of security and pride in possessing “Homes” and commercial spaces that match the best in the industry. Total commitment with honesty and integrity in all our dealings will be the tradition we shall always preserve.
